Global Trend Paranormal Romance Series:

Booklist's 1000 Best Young Adult Books since 2000 Gillian Engberg, Ian Chipman, 2014-05-15 With the explosion in YA publishing it's harder than ever to separate good books from the rest. Booklist magazine's editors' deep and broad knowledge of the landscape offers indispensable guidance, and here they bring together the very best of the best books for young adults published since the start of the 21st century. Drawing on the careful judgment of expert YA librarians, this book includes a foreword by best-selling YA lit authority Michael Cart who demonstrates how we have entered a new golden age of books for young adults. Collects reviews which showcase the most stimulating contemporary YA titles. Features an essay in each section grouped by genre presenting an overview and examining relevant trends. Indexes selections by author, title, and genre for handy reference. The thoughtful professional review coverage for which ALA's Booklist is known makes this volume an ideal tool for YA readers' advisory and collection development.

Paranormal Media Annette Hill, 2010-11-05

Paranormal Media offers a unique, timely exploration of the extraordinary, unexplained, and supernatural in popular culture, looking in unusual places in order to understand this phenomenon.

Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 Gender Warriors: Reading Contemporary Urban Fantasy offers classroom-ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled. The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources, focusing not only on popular examples such as Buffy the Vampire Slayer and Underworld but also on less studied works, for instance Penny Dreadful and Anita Blake. The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms, inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions. The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre. This collection demonstrates the way that representations of gender and the kick-ass female urban fantasy warrior have upended and reinforced a broad range of expectations and tropes, making it a fascinating text for any course such as first-year studies, literature, film, gender studies, sociology, cultural studies, history, and more.

The Paranormal Kenneth Partridge, 2009 Surveys various supernatural phenomena from ghosts and extra-sensory perception (ESP) to UFOs and cryptozoology, examining whether they have any scientific validity and why people find them so fascinating. Chapter headings include: Why We Believe America's Haunted Army Is There; Anybody Out There; and The Myth Hunters.
