Phonics Screening Check

What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is a key part of learning to read and write. It helps children to understand how words are made and how they are written. This helps them to read and write more easily.

What is the phonics screening check?

The phonics screening check is a test that checks how well children can hear and use the sounds of words. It is a short test that takes about 10 minutes to complete.

The test is done by a teacher or a teaching assistant. It consists of two parts. In the first part, children hear a word and are asked to say the word. In the second part, children hear a word and are asked to write the word.

How is the phonics screening check done?

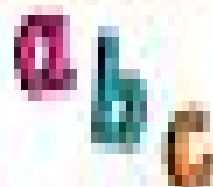

The phonics screening check is done in two parts. In the first part, children hear a word and are asked to say the word. In the second part, children hear a word and are asked to write the word.

What is the purpose of the phonics screening check?

The purpose of the phonics screening check is to check how well children can hear and use the sounds of words. This helps teachers to know how well children are learning phonics and to help them if they need it.

What is the result of the phonics screening check?

The result of the phonics screening check is a score. The score is based on how many words children hear and write correctly. The score is used to help teachers know how well children are learning phonics.
