Dating Basic Training Chris Plekenpol, Adrienne Plekenpol, 2011-12-18 Chris and Adrienne dig deep into our culture the Bible and their own experience to guide single people young and old on one of the most important decisions of their life Choosing a spouse *500 Dates* Mark Miller, 2015-02-03 Now several years post divorce relationship expert and humorist Mark Miller has experienced more than five hundred first dates In *500 Dates* composed of fifty five humor essays Miller features the highlights and lowlights of those dates Among the true dating tales and revelations you will find in this book are How Miller and his date learned the limitations of a man being too emotionally expressive Most guys consider revealing more about themselves emotionally and communicating on a deeper level nearly as enjoyable as falling face first onto an ice pick or spending the rest of eternity listening to Celine Dion music Miller s realization that sometimes men have to pay a heavy price for their dates previous relationship behavior At least six different times God has matched me up with a woman who has had a long history of wild impulsive passionate no holds barred sex She invariably finds something lacking in that lifestyle and decides to make a change Starting with the very next man she dates Who is invariably me Miller s misguided social experiment to separate dating from status by spending less than 20 on the date purchasing everything at a 99 store and what he learned as a result about his date and himself I realize now that on the journey of romance thrift and creativity will take you only so far for the rest of the trip you ll need MasterCard Revealed for the first time the inner workings of a man s brain Cerebellum Responsible for coordinating movement and maintaining balance Used primarily when a man has had eight beers and is endeavoring to make his way to the bathroom without tripping over the dog and pulling the fish tank over on top of them How Miller took his date to his ex wife s holiday party only to find his date and his ex wife bonding like high school girlfriends Pam would take Amy aside and present to her a list of all 273 of my failings most of which she confides to Amy won t become noticeable until month three of Amy s being with me Amy is stunned she d only been aware of 149 of my failings But *500 Dates* is about much more than dating Its humor essays also cover romance relationships breakups attraction the nature of love and how both men and women view the art science expectations and reality of courtship and turning courtship into something deeper and longer lasting in the twenty first century Throughout these essays a portion of which were previously published in various media Miller provides a sense of hope about one s romantic prospects Readers will find that the end of a marriage even a long term one does not mean the end of romance or one s sense of humor *Love to Date-Date to Love* Karla Erovvick, 2000-10-17 Every woman is single at some point in her life so why not enjoy it *Love to Date Date to Love* is a book written by a single woman for single women The hot dating tips contained within really do work You will learn how to figure out what you really want from dating and how to make it happen instead of waiting for that handsome prince The other areas of our life require planning care and effort so why not dating This approach is one of empowerment but not without humor Whether you are frustrated or wanting to improve your dating skills this is the book for

you Instead of focusing on the negative aspects of dating you will learn how to become more comfortable meeting men wherever you happen to be You will discover ways to energize dating and actually have fun Once you can overcome feelings of loneliness or self consciousness you will be free to listen to what you want and to be relaxed and confident enough to achieve it You will learn to make dating the fun adventure that you ve always dreamed of
