*Faith Into Abundance* Brian Ainsley Horn,2016 The ability to earn a profit is the ability to multiply our resources while helping other people It is a wonderful ability that God blessed entrepreneurs with and it is not evil or morally neutral but fundamentally good However it's not always easy We have to keep faith and know that the promise from God is coming Through the inspiring stories in this book you'll see how entrepreneurs that remained faithful through hard times were blessed with great abundance      Caught Between Heaven & Earth Nancy Van Alphen,2019-03-27 An Incredible True Story of Awakening In Caught Between Heaven Earth Nancy van Alphen takes us on her unexpected spiritual journey that changed her from agnostic to believer A humorous peak into her childhood during which she had but a mere smattering of religion paints the picture of an ordinary girl living an ordinary life As a teen she concluded God was unprovable and never looked back until God decided He wasn't content being a mere possibility Alone one night Nancy happened upon a video of a young man given little time to live Heartfelt compassion morphed into anger as she raised her fists and railed about suffering to a God in whom she didn't really believe To her utter amazement God responded Thus begins her journey in which she traverses a surreal chasm between doubt and belief caught between Heaven and Earth as she struggles to understand messages she was given about suffering reincarnation including her own and humanity's true identity With a sprinkling of light hearted family anecdotes Nancy recalls her progressively more profound experiences within the context of earthly reality Interactions with God Jesus and angels chip away at her agnosticism until one day something so amazing happens it obliterates all traces of doubt Between scenes Nancy looks at various religious traditions and present day near death experiences uncovering information supporting what she was told by Divine source helping her round out her new picture of reality Her conclusion presents four habits of LOVE by which to live to foster evolution of one's soul as well as the spiritual evolution of humanity Praise for Caught Between Heaven Earth I am proud of Nancy for her courage in sharing her story with us that we might find light in it It is valuable that she is open and sharing of her reproachment to God Nancy went in as

an agnostic and exited as a full on believer Kudos to Nancy for her persistence in continuing the work in having courage and resilience and in doing it in a world too often filled with darkness What a lesson for the rest of us Dr Doris Eliana Cohen PhD Repetition and Dreaming on Both Sides of the Brain Nancy van Alphen takes you by the hand and ushers you into her mind and then into her heart where you experience her intimate and breathtaking journey from agnosticism to spirituality Her authentic report begins with angels at her door That day marked the beginning of her transformation which she describes in honest detail Hers is a journey similar in its mystical nature to that which I and countless others have experienced in this time of rising awareness The truths that unfold to Nancy in surprising even astonishing ways will resonate in the heart of experiencers and non experiencers alike Emily Rodavich Mystical Interludes and Mystical Interludes II     **The Boy Scouts on War Trails in Belgium, Or, Caught Between Hostile Armies** Herbert Carter,1916 The adventures of the Silver Fox Patrol during WW1     **Mobius Blvd: Stories from the Byway Between Reality and Dream No. 22 - August 2025**
