Tourism and Geopolitics Derek R Hall, 2017-01-25 With 29 contributors from across Europe and beyond this work represents a unique and important resource that examines the many relationships between tourism and geopolitics with a focus on experiences drawn from Central and Eastern Europe It begins by assessing the

changing nature of geopolitics from pejorative associations with Nazism to the more recent critical and feminist geopolitics of social science's cultural turn. The book then addresses the important historical role of Central and Eastern Europe CEE in geopolitical thinking before exemplifying a range of contemporary interactions between tourism and geopolitics within this critical region. Pursuing innovative analytical paths, the book demonstrates the interrelated nature of tourism and geopolitics and emphasizes the freshness of this research area. Addressing key principles and ideas which are applicable globally, it is an essential source for researchers, teachers and students of tourism, geography, political science and European studies as well as for diplomatic, business and consultant practitioners.

Museum Branding Margot Wallace, 2016-03-07 In today's busy world, museums compete for visitors not only with other museums but also with a worthy selection of cultural institutions from performing arts to libraries. Add to these magnets a slew of enticing leisure activities from theme parks to jogging trails. Given a weekend afternoon with a little free time to spare, a prospective visitor has a tempting selection of destinations to choose from. Branding a museum helps it stand out from the crowd by giving it an image and personality with which visitors and supporters can identify, increasing their emotional attachment and encouraging them to return. In *Museum Branding*, Wallace offers clear practical advice on how to brand a museum department by department, step by step. By highlighting case studies from museums of every type and size, she emphasizes that brains, not budget, create a successful branding effort. This new edition is heavily updated to reflect digital branding from start to finish and features three entirely new chapters: Public Relations and Social Media, Theaters, Conservation Labs and Visible Storage Spaces, Databases.
