Derval,2007      *The Trust Edge* David Horsager,2012-10-09 In The Trust Edge David Horsager reveals the foundation of genuine success trust Based on research but made practical for today's leader The Trust Edge shows that trust is quantifiable and brings dramatic results to businesses and leaders In this book Horsager teaches readers how to build the 8 Pillars of Trust 1 Clarity People trust the clear and mistrust the ambiguous 2 Compassion People put faith in those who care beyond themselves 3 Character People notice those who do what is right over what is easy 4 Competency People have confidence in those who stay fresh relevant and capable 5 Commitment People believe in those who stand through adversity 6 Connection People want to follow buy from and be around friends 7 Contribution People immediately respond to results 8 Consistency People love to see the little things done consistently When leaders learn how to implement these pillars they enjoy better relationships reputations retention revenue and results Fascinating and timely The Trust Edge unveils how trust has the ability to accelerate or destroy any business organization or relationship The lower the trust the more time

everything takes the more everything costs and the lower the loyalty of everyone involved Conversely an environment of trust leads to greater innovation morale and productivity The trusted leader is followed From the trusted salesperson people will buy For the trusted brand people will pay more come back and tell others Trust not money is the currency of business and life
