REVIEW IDEAS

1. Fill in the chart to review your understanding of the eight main active reading strategies.

Strategy	Your definition
Asking questions	Asking questions helps to understand the writing more. Questioning the writing can help clarify points, track information, notice details, and make connections.
Making mental images	Creating mental images allows for the reader to have a better understanding of the words they are reading.
Summarizing	Summarizing consists of figuring out the most important parts of the topic and condensing the information into something more digestible.
Activating prior knowledge	It is easier to comprehend something when you have previous experience with that topic. Using that knowledge is vital to understanding further.
Drawing inferences	By using all the information given and then making connections outside of the provided information, you can predict and further understand upcoming topics.
Using text features and visual cues	Seeing well constructed graphic information can help the reader have a quicker understanding of the provided information. This aid is used in many aspects of teaching, marketing, and commercials.
Monitoring and applying fix-up strategies	Fix it up strategies can help when there is a lack of understanding. Some of these strategies include reading slower, going back to see if you missed something, and reading ahead to see if your confusion gets explained.
