Federal Register, 2013-09    The Electronic Health Record for the Physician's Office E-Book Julie Pepper, 2023-07-19

Get realistic hands on practice with performing EHR tasks. Combining a print textbook with online SimChart for the Medical Office software. The Electronic Health Record for the Physician's Office 4th Edition uses real world examples and screenshots to walk you through each EHR task. Clear step by step guidelines simplify the exercises in each simulation so you master all the EHR skills required of a medical office professional. You'll learn how to use EHR in patient care and reimbursement as you perform tasks in administrative, clinical care and coding and billing. Written by Medical Assisting educator Julie Pepper, this manual also helps you prepare for success on the Certified Electronic Health Records Specialist (CEHRS) examination. UNIQUE Integration with SimChart for the Medical Office (SCMO) Elsevier's educational EHR sold separately makes it easier to learn and apply EHR fundamentals. EHR Exercises with step by step instructions reinforce key concepts and allow practice with actual software increasing in difficulty based on the knowledge gained. Critical Thinking Exercises provide thought provoking questions to enhance learning and problem solving skills. Chapter Review Activities allow you to assess your knowledge of the material with activities such as a review of key terms, matching and true/false questions and additional opportunities for software practice. Review of Paper Based Office Procedures describes how tasks are completed when the healthcare facility is using paper based procedures instead of electronic. Trends and Applications provide real life examples of how EHR systems are being used to improve health care. Application exercises in the appendix include front office, clinical care and coding and billing allowing you to practice skills before tackling graded SCMO exercises. Student resources on the Evolve website include a custom test generator to allow CEHRS exam practice or simulation. NEW Content.
