Comrades Marathon Pamphlet:

Comrades Marathon - The Ultimate Human Race John Cameron-Dow, 2012-09-27 It is the world's largest and oldest ultramarathon race. It is a festival celebrating the triumph of human spirit over adversity. It has a camaraderie that enables ordinary mortals to overcome human fragility and perform beyond their wildest expectations. In the words of Comrades marvel Bruce Fordyce, this race can inspire ordinary people to do extraordinary things and it brings out the best in all of us. This race has a power to transform, to inspire and to motivate unlike any other. The official Comrades Marathon, The Ultimate Human Race, begins in 1921 and chronologically describes every race in detail up to 2010's commemorative 85th event. All the legends are here in their full Comrades glory and human frailty: Arthur Newton, Hardy Ballington, Wally Hayward, Jackie Mekler, Alan Robb, Frith van der Merwe, Bruce Fordyce and others. But there is also deeply affectionate and admiring coverage of the backmarkers, the ones often called the real Comrades runners: those ordinary people behind the front runners. This meticulously researched account will certainly inspire all types of athletes, but more than that, it will evoke a sense of wonder at what body and mind can achieve in pursuit of extreme challenge. The heartbreaking and heart-stopping moments are documented alongside the countless successes and triumphs, as well as a rich collection of humorous and quirky anecdotes from Comrades lore. An updated history of the Comrades Marathon is long overdue, and author John Cameron Dow is uniquely qualified to write about this remarkable athletic event; he holds a prized green number mark of a ten-time Comrades medallist. *Comrades Marathon South Africa*, 2002. The year is 1976 and South Africa is gripped by a terrible lockdown; apartheid. Nelson Mandela is in prison on Robben Island. South Africa is isolated from the rest of the world and revolution is in the air. Against this background, a young student at Johannesburg's Wits University decides to try and take control of his life and his destiny and give himself a sense of purpose. He challenges himself to run South Africa's most famous long-distance race, the grueling 90 kilometre Comrades Marathon. Little does he know that five years later he will win this most iconic of races and he will go on to be considered one of the greatest Comrades runners in the history of the race. In *Winged Messenger*, Bruce shares this 1976-77 training diary so that raw novices and experienced runners alike can follow the journey he took to his first Comrades. Novices particularly will enjoy reading about how he took his first stumbling rudimentary steps and how, as an ordinary runner, he began to understand the demands of the race. He documents his mistakes, his successes and his progress towards his date with destiny in May 1977. Using his own experiences, he guides others, but particularly novices, on their quests to become winged messengers. This is a unique blend of both a training guide and a fascinating glimpse of the life of a young man in his quest to conquer both himself and South Africa's greatest race. **Comrades Marathon Yearbook** Tom
