Greta Barclay Lipson, 2008-09-01 Introduce your students to concrete poems and couplets with this easy to use packet
complete with definition example guidelines and a place for students to write their own poems Master teacher and poet Greta
Barclay Lipson shows the power of language and how to use it with these poetic forms Using Poetry Across the
Curriculum Barbara Chatton, 2010-01-13 This comprehensive listing and discussion of poetic works supports the standards of
all areas of the curriculum helping librarians and teachers working with kindergarten through middle school students This
second edition of Using Poetry Across the Curriculum Learning to Love Language offers a comprehensive list of poetry
anthologies poetic picture books and poetic prose works in a wide variety of subject areas While it maintains the original
edition s focus on ideas and resource lists for integration of poetry into all areas of the curriculum it is thoroughly revised to
cover current issues in education and the wealth of new poetry books available The book is organized by subject areas
commonly taught in elementary and middle schools and within these by the national standards in each area Numerous
examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are
listed A sampling of units that arise from groups of works writing and performance ideas and links across the curriculum is
also included While many teaching ideas and topics provide references to the standards they meet this title is unique in
starting with those standards and making links across them *More Hot Links* Cora M. Wright, 2002-08-27 This companion
to the popular Hot Links by the same author provides informative annotations for an additional 300 fiction and nonfiction
books contemporary and classic that support and enhance the middle school curriculum The selected titles represent top
quality literature that ties into all areas of the curriculum The books were chosen for the quality of writing interest level
appropriateness of illustrations and current availability Additionally the book includes a chapter highlighting the best of
newly published literature and a chapter featuring titles that are presented in a unique and creative manner A Literature
Links section in the back of the book offers an easy to read chart that tells you exactly in which curricular areas a book can
be used Grades 5-9 **Poetry in Literature for Youth** Angela Leeper, 2006-03-28 Poetry in Literature for Youth offers
teachers librarians parents and students with an instrumental guide for incorporating all forms of poetry into the curriculum
More than 900 annotated entries provide descriptions of books and other resources including anthologies classics various
poetry formats poetry novels multicultural poetry performance poetry teen poetry poet biographies and curriculum
connections Educators who are often unaware of the poetry resources available particularly for young adults will welcome
this book with open arms Lists for building a core poetry collection along with resources for teaching poetry criticism and
writing electronic poetry resources booktalks classroom activities and lesson plans complement this guide Author Geographic
