imprint Belles Lettres has long been out of print As he told me on more than one occasion he had every intention of bringing out another edition In Marc Bloch's own mind this was not simply a matter of reissuing the original text He knew none better that time stops for no historian that every good piece of historical writing needs to be rewritten after twenty years otherwise the writer has failed in his objective failed to goad others into testing his foundations and improving on his rasher hypotheses by subjecting them to greater precision Marc Bloch was not given time to refashion his great book as he would have wished One wonders whether he would in fact ever have brought himself to do it I have the impression that the prospect of this somewhat dreary and certainly difficult task however one may try to avoid it revision of an earlier work is always hampered by the original design which offers few easy loopholes for escape held less appeal than the excitement of conceiving and executing an entirely new book However this may be our friend has carried this secret with so many others to his grave The fact remains that one of our historical classics now more than twenty years old is due for republication and is here presented to the reader *Cambio cultural en la sociedad del Siglo de Oro* Henry Kamen, 1998 En la Europa del siglo XVI la cultura y las creencias religiosas estaban estrechamente entrelazadas e influían en todos los actos por mundanos que fueran de los hombres y mujeres corrientes Pero mientras se admite que la Reforma desencadenó un cambio revolucionario en la sociedad occidental generalmente se considera que solo afectó superficialmente a la población de la Europa católica Se supone en particular que España escapó totalmente a los vientos de cambio Al estudiar la vida en el pueblo catalán de Mediona una pequeña y animada y carácterística comunidad rural y también la más amplia sociedad mediterránea de la que estaba formaba parte Henry Kamen demuestra que la Contrarreforma introdujo cambios importantes en la vida diaria en las creencias y en la cultura de la gente corriente Basándose exclusivamente en documentos inditos y en los libros publicados durante ese período el autor estudia la cultura popular de la España catalana los cambios provocados por la Contrarreforma las reformas administrativas el lugar de la comunidad en la creencia religiosa los intentos de modificar las fiestas y celebraciones populares las trascendentales innovaciones en el matrimonio y en la sexualidad el papel de la Inquisición y de los jesuitas el problema de la magia y el impacto que las nuevas ideas foráneas tuvieron sobre el idioma local y la palabra impresa
