## **Confederate Reckoning Power And Politics In The Civil War South:**

Confederate Reckoning Stephanie McCurry, 2010-04-30 The story of the Confederate States of America has been told many times in heroic narratives In *Confederate Reckoning* historian McCurry tells a very different tale of the Confederate experience

**The Jewish South** Shari Rabin, 2025-04 A panoramic history of the Jewish American South from European colonization to today In 1669 the Carolina colony issued the Fundamental Constitutions of Carolina which offered freedom of worship to Jews heathens and other dissenters ushering in an era that would see Jews settle in cities and towns throughout what would become the Confederate States The *Jewish South* tells their stories and those of their descendants and coreligionists who followed providing the first narrative history of southern Jews Drawing on a wealth of original archival findings spanning three centuries Shari Rabin sheds new light on the complicated decisions that southern Jews made as individuals families and communities to fit into a society built on Native land and enslaved labor and to maintain forms of Jewish difference often through religious innovation and adaptation She paints a richly textured and sometimes troubling portrait of the period exploring how southern Jews have been targets of antisemitism and violence but also complicit in racial injustice Rabin considers Jewish immigration and institution building participation in the Civil War the 1915 lynching of Leo Frank and Jewish support for and resistance to the modern fight for Black civil rights She examines shifting understandings of Jewishness highlighting both the reality of religious diversity and the ongoing role of Christianity in defining the region Recovering a neglected facet of the American experience The *Jewish South* enables readers to see the South through the eyes of people with a distinctive religious heritage and a southern history older than the United States itself

*Civil War and Agrarian Unrest* Enrico Dal Lago, 2018-03-15 The first book that compares the Confederate South and Southern Italy in two contemporaneous civil wars during 1861 1865

Igbo Petitions to U S Missionary Nurses 1965      *Between King Cotton and Queen Victoria* Beau Cleland,2025-12-01

*Between King Cotton and Queen Victoria* recenters our understanding of the Civil War by framing it as a hemispheric affair deeply influenced by the actions of a network of private parties and minor officials in the Confederacy and British territory in and around North America John Wilkes Booth likely would not have been in a position to assassinate Abraham Lincoln for example without the logistical support and assistance of the pro Confederate network in Canada That network to which he was personally introduced in Montreal in the fall of 1864 was hosted and facilitated by willing colonials across the hemisphere Many of its Confederate members arrived in British North America via a long established transportation and communications network built around British colonies especially Bermuda and the Bahamas whose primary purpose was running the blockade It is difficult to overstate how essential blockade running was for the rebellion s survival and it would have been impossible without the aid of sympathetic colonials The operations of this informal semiprivate network were of enormous consequence for the course of the war and its aftermath and our understanding of the Civil War is incomplete without a deeper reckoning with the power and potential for chaos of these private networks imbued with the power of a state      *Abolitionists and the Politics of Correspondence* Mary T. Freeman,2026-02-15 No detailed description available for

Pickens,2013 *The First Republic and A Lincoln* is an exercise in intellectual history The topics discussed in the book are among the most argumentative in the study of American histroy Combined with a simple minded view of history *The First Republic and A Lincoln* will not present new facts instead will focus on new scholarship      **North Carolina Troops, 1861-1865** Matthew M. Brown,1966 Acclaimed as the finest state roster ever published and a magnificent achievement *North Carolina Troops* is an invaluable resource for scholars local historians genealogists and Civil War enthusiasts Each indexed volume contains unit histories and the names and service records of approximately 7 000 North Carolinians who served in the Civil War      **Tennessee Historical Quarterly** ,2013      *January 6 and the Politics of History* Stephanie McCurry,Joanne B. Freeman,Elizabeth Hinton,Jill Lepore,William Sturkey,Julian E. Zelizer,2024-03 On January 6 2021 more than two thousand rioters stormed the doors of the U S Capitol building in Washington D C hoping to interrupt the peaceful transfer of power from former president Donald Trump to his successor Joseph Biden The deaths property damage and vicious rampage that ensued were witnessed on live television as an unprecedented attack on the democratic process and those who strive to protect it As an installment of UGA Press s *History in the Headlines* series this book offers a rich discussion between highly respected scholars on the historical backdrop and context for contemporary issues from the headlines In addition to the historical context this conversation demonstrates how historians speak to one another about contentious topics and how they contribute in meaningful ways to the public s understanding of momentous events This

volume focuses on the historical context of the January 6 attack and employs a free flowing conversation style that allows the historians a more unconventional format The participants discuss if and if so how historians should engage in public debates and what that engagement means to their roles as academic authorities in the public **America, History and Life** ,1992 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **South African Digest** ,1983-07 **Fortnightly Digest of South African Affairs** ,1983-12-02 The Lincoln Library of Essential Information ,1924 The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost American Exemplar of Self Education ,1924 **The New York Times Book Review** ,1969 **The Publishers' Trade List Annual** ,1986
