Confession of a CIA Interrogator

, 2009-10 This is a nonfiction story covering 2 1/2 years of a CIA Contract Agent in Vietnam It was the period when the Paris Peace Talks name was changed to the Paris Peace Accord to prevent the American people from learning that the United States had given up the fight to save the Vietnamese people from the Communist It was a strange war where the citizen soldiers of the United States never lost a battle but were defeated by the Communist lies told to their families at home The Central Intelligence Agency CIA discovered the Communist Plan to move the North Vietnamese Army on selected routes to encircle the US Army and trap them in Saigon to create an American Dunkirk on the day the Paris Peace Accord was to take effect It would prove to the world that the US Army had run from the battle field Mr William Colby head of the CIA efforts in Vietnam was informed of the Communist Plan and he along with a few patriots in the CIA developed a system to give the US Army time to leave Vietnam in a controlled military disengagement This plan was so secret that no name was given to it and only the men who were fighting to save America from becoming a Communist State knew Bill Colby used every tool available to him One was a CIA Contract Agent Gilbert H Moriggia a CIA Interrogator and another was the secret CIA Dai Phong Program The basic plan was simple a matter of obtaining immediate intelligence and to destroy the communist Ve in all junction of the North Vietnamese Army's transportation routes to Saigon This is the adventure story of how a CIA Contract Agent helped Bill Colby's give the US Army time to save themselves About the Author Ben R Games PhD Major CW4 TCNA 6 flew bombers and night fighters during WW II Then jet fighters during the Korean period and Chinook helicopters in Vietnam He is a member of the North American Mach Busters Club and the Distinguished Flying Cross Society with 737 recorded

Kelly, Ben Robert Games, 2007-01 This is a novel of fiction It is a collection of my short stories my poems and my quotes that I have written over my lifetime up to the present All the characters and names of characters are purely fictional any similarity to any real or live person or persons is purely coincidental I hope the reader will enjoy some of my work Also I hope it is entertaining for all my readers Thank You How the Police Generate False Confessions James L. Trainum, 2016-07-15 Despite the rising number of confirmed false confession cases most people have a hard time grasping why someone would confess to a crime they did not commit or even why a guilty person would admit to something that could put them in jail for life *How the Police Generate False Confessions* takes you inside the interrogation room exposing the tactics that law enforcement uses to make confessions happen James L Trainum reveals how innocent people can become suspects and then confessed criminals even when they have not committed a crime Using real stories he looks at the inherent coerciveness of the interrogation process and why so many false confessions contain so many of the details that only the true perpetrator would know More disturbingly the book examines how these same processes corrupt witness and victim statements create lying informants and cooperators and induce innocent people to plead guilty Trainum also offers recommendations for change in the U S by looking at how other countries are changing the process to prevent such miscarriages of justice The reasons that people falsely confess can be complex and varied throughout *How the Police Generate False Confessions* Trainum encourages readers to critically evaluate confessions on their own by gaining a better understanding of the interrogation process **Confessions of Guilt** George C. Thomas III, Richard A. Leo, 2012-04-13 The extreme interrogation tactics permitted after the 9 11 attacks illustrate that the level of fear in society influences law Confessions of Guilt traces the law of interrogation as it reflects the level of threat felt in society moving back and forth from greater to lesser tolerance of high pressure police tactics **Torture and Enhanced Interrogation** Christina Ann-Marie DiEduardo, 2020-02-07 An all in one resource for understanding the issue of torture and enhanced interrogations including their history as an instrument of state power and warfare debates over the morality of their use in different contexts and efforts by human rights organizations and nations to end torture and enhanced interrogation techniques worldwide *Torture and Enhanced Interrogation A Reference Handbook* begins with an in depth historical overview of the practice beginning in Ancient Greece and continuing to Guantanamo Bay and beyond After grounding the reader in the historical fundamentals the book examines the most explosive controversies that surround the use of torture and enhanced interrogation techniques like waterboarding
